

# JOSHUA YOUNG

## SENIOR FULL-STACK ENGINEER

Missoula, MT | joshua@young.net | 303-913-6955 | joshyoung.net

*Hey there, I'm Josh, an experienced full-stack engineer with design sense. Emphasizing the team above the individual, I firmly believe in the power of good communication in fostering a positive and collaborative work environment. Motivated by the warm and fuzzies I get from quality work, I approach each day with enthusiasm, eager problem-solving skills, meticulous attention to detail, and an insatiable passion for learning.*

## EXPERIENCE

### Senior Full-Stack Engineer | Slalom | Denver, CO | October 2021 - Present

- Developed a cross-platform (Android, iOS, and Web) FinTech app in React Native for a Fortune 500 company.
- Built and maintained a cross-platform (Android, iOS and Web) UI library in React Native for an enterprise scale operation.
- Created, maintained, and documented GraphQL and Node.js backend services.
- Collaborated with cross-functional teams to deliver efficient solutions that exceeded client needs.

### Full-Stack Engineer | Blindspt | Denver, CO | September 2019 - October 2021

- Consulted on enterprise scale web applications with a focus on accessibility remediation.
- Greenfield development on a suite of accessibility testing and reporting tools using React Native, Node.js, PostgreSQL and others.
- Developed on the official Olympic Team USA React Native app, contributing to a mobile experience for a global audience.
- Maintained and updated a React and Ember-based app for Clover, optimizing the app's user experience and performance.

## SKILLS

- **Frontend:** Typescript, React, React Native, HTML, CSS, Redux, jQuery, Jest, Framer Motion, Expo
- **Backend:** Python, GraphQL, Node.js, Sequelize, PostgreSQL, Express, REST APIs
- **Other:** AWS, Splunk, Auth0, GitHub, CI / CD

## PROJECTS

### Nutrien Hub | Slalom | [hub.nutrienagsolutions.com](https://hub.nutrienagsolutions.com)

- Contributed to frontend and backend development of the Nutrien Ag Solutions HUB, a cross-platform app that helps farmers track weather, manage farms, and handle finances, integrating real-time data and secure account management.

### Clover | Blindspt | [clover.com](https://clover.com)

- Front-end development on Clover's React website, a leading point-of-sale platform.
- Enhanced user experience with seamless navigation, responsive design, and robust features for business management.

## EDUCATION

**Master of Architecture** | University of Colorado | 2012

**Bachelor of Science – Computer Science** | University of Colorado | 2006
